13:00h CET
Platform: ZOOM

Supratentorial Motor Area Stimulation

SPEAKERS

Francesco Sala
Italy

Lorenzo Bello
Italy

MODERATORS

Kathleen Seidel
Switzerland

Maria Tellez
USA

Objectives

To gain insight into how to perform different types of cortical and subcortical mapping in supratentorial motor area surgeries.

AGENDA (CET time)

13.00-13.05	Welcome Kathleen Seidel	13.50-14.25	Mapping the Anterior and Posterior Precentral Motor Area: the need to adapt frequency, number of stimuli, and intensity Lorenzo Bello
13.05-13.10	Introduction Task Force members	14.25-14.50	Q&A
13.10-13.45	Functional Approaches to the Surgery of Supratentorial tumors: the location-specific Motor Mapping Strategy Francesco Sala	14.55-15.00	Closing remarks Maria Tellez
13.45-13.50	Q&A
